We are a small team based in Brisbane Australia dedicated to bringing you a unique range of products for your 4WD through a network of quality suppliers with proven products. Our flagship products are our own **VMN Diesel Tuning Chip** for the Toyota D4D engine (for the Hilux, Vigo and Prado) and our range of **Body LIft Kits** for the Toyota Hilux 150 series Ute (2005 and on). This is the only body lift kit on the market that is approved for fitment to the Hlux 150 by Queensland Transport.
